## Reward Stickers

### Local Sticker Supplier

#### Range

A wide range of colourful stickers is available covering encouragement, behaviour, PSD, PLP targets, eco schools, nursery, birthdays, languages, visitor badges, sports badges etc. Most are standard general purpose designs, although some can be personalised with school names / crests or with teacher's names. If you want something different please ask.

All stickers are sold as an A4 sheet. The sample sheets show the most popular stickers but others are possible.

Paper / card / sticker certificates are also available on request for achievement, merit or award certificates.

The stickers are all self adhesive 'peel and stick' and are now mostly colour laser printed on white print stock. They are paper and are 'eco friendly'.

#### Prices

These are shown on the following sheets. Generally they are only £2.00 a sheet.

#### Postage and packing
